To conclude, we would state that Radwuy's Kendy Relief is an external and internal Remedy; that it is impossible for pain to exist in the system that is under its infinance—its life-quickening power infuses strength to the weak, feeble and infirm. No matter what the cause of the pain may be, a dose or application will instantly stop it.

Radway's Regulators are in the form of Pills, elegantly coated with gam, and when taken will not occasion nausea or sickness—their office is to regularise the organs of the system to a bealthy and regular action, to equalize the circulation of the blood, and expel all difficulties and causes of derangement from the liver, stomach bowels, kidneys, heart, skin, nerves, bladder, and thus curing rapidly all discusses located in either of the organs of the body or in the general system.
